

DOCUMENT PACK – EXPLANATORY NOTE

YOUR DOCUMENTS

Within this document pack you will receive the following:

- (i) A Funding Retainer with SSB Law
- (ii) Declaration and Authority Form
- (iii) A blank Undisclosed Commissions Form of Authority
- (iv) An Undisclosed Commissions Form of Authority made out to Claims Protection Agency Ltd

The purpose of this short document is to explain why you have received the documents in this way, the purpose of each document and what we are asking your permission to do with your personal data.

The process and the parties involved

We have brought together a team of experts to apply their specialisms to ensure that each part of the process of your claim is dealt with by the most suitable and experienced people to do so and to ensure that your claim is dealt with as quickly, efficiently and cost effectively as possible.

The process is as follows:

- You have provided us with certain key pieces of personal information and will provide us with signed documentation (the Funding Retainer, the declaration and authority form and the forms of authority);
- We will submit a Subject Access Request (“SAR”) to the lender.
- If necessary, the SAR documentation will be provided to an expert or an agency (Legal Audit Software Ltd) who obtain expert reports and who, in turn, will instruct an expert to obtain an expert report for you in order to value your claim.
- Once all documents have been obtained (your signed forms, the SAR and, if necessary, the expert report) your case will be reviewed by SSB Law and passed to a file handler.

By signing each of the documents you confirm that you are happy for each of the businesses mentioned to process your data and the above documentation for the sole purpose of progressing your claim for undisclosed commissions.

Funding Retainer

This is your “no win, no fee” agreement. Signature of this document confirms that you are happy for SSB Law to act on your behalf in pursuit of your claim for undisclosed commissions based on the terms contained within the Funding Retainer. SSB Law will provide you with further information when they sign and return your executed Funding Retainer to you.

Once we have undertaken the process we will pass all paperwork to SSB Law who, in turn, will execute your agreement and send a signed copy to you. Once received, you retain a “cooling off” period of 14 days in which to cancel that agreement at no cost to you should you wish to do so.

Declaration and Authority Form

This will allow SSB Law to process your claim. You are giving them authority to pay any damages you receive into their client account so that the necessary deductions can be made before the final payment is sent to you. You are also authorising them to pass your personal details to third parties involved with this claim. This will include, but is not limited to, sharing your details with us, with the expert who will prepare a report and any other agencies involved with the claim.

The blank undisclosed commissions form of authority

Lenders often won't engage with a party who is authorised to act on behalf of someone pursuing a claim unless they have a document that expressly confirms this to be the case. By signing this form of authority you will be authorising SSB Law to act on your behalf, and this document will be provided by SSB Law to the lender as evidence of their authority to represent you.

The undisclosed commissions form of authority made out to Claims Protection Agency Ltd

As mentioned in the description of the process above, we will be the party who will submit an SAR on your behalf. By signing this form of authority you are permitting us to take this step for you.

HOW DO WE GET PAID?

We will receive a marketing fee from SSB Law firm for obtaining the documentation and making the introduction to you. Please note that these fees are not deducted from your compensation. If you would like to know the exact amount of these fees then please feel free to ask us.

EXPLANATION OF THE FUNDING RETAINER (NO WIN, NO FEE AGREEMENT)

What will it cost me?

If your claim is unsuccessful, provided that you have complied with your obligations under the Funding Retainer and your ATE insurance policy, you will not have to pay anything. Your solicitor will not charge for their time and any expenses, disbursements and adverse costs will be covered by the ATE insurance policy (if you have elected to take out such a policy of insurance).

If your claim is successful, you will pay your solicitor no more than 42% of the damages that you recover plus the cost of the ATE insurance premium of £222.88 (if you have elected to take out such a policy of insurance – please note the cost may be higher if the value of your claim exceeds £10,000. In those circumstances your solicitor may also be able to claim for other legal costs from your opponent).

We have included below for illustration purposes, a table showing your solicitor's charges and the ATE cost based upon the amount of your damages recovered. This is not to be taken as an estimate of the amount likely to be recovered for you.

Amount of damages recovered	Solicitor's charge	ATE Insurance Premium	Balance payable to you
£3000	£1260	£222.88	£1517.12
£5000	£2100	£222.88	£2677.12
£10000	£4200	£222.88	£5577.12

What do I need to do?

You will need to provide instructions to your solicitor in an honest and timely manner and you will need to keep your solicitor updated with your contact details. If you breach your obligations under the Funding Retainer then your solicitor may charge you for their time spent on an hourly rate and for all expenses incurred, and which could be more expensive than the proposed charge under the Funding Retainer.

How will you and my solicitor keep me updated?

Once you have returned your signed paperwork we will follow the process outlined above. If your claim is accepted by SSB Law then you will receive the executed Funding Retainer from them along with other paperwork such as a client care letter that explains the process going forward. Your solicitor will update you as to progress either by letter or email and by telephone as appropriate.

Agreement 1 - Contingency Fee Agreement

We: SSB Law of Ground Floor, Navigation House, 1 South Quay Drive, Sheffield S2 5SU (the Solicitor)

You: Your Name - Your Full Address (the Client)

This is Your agreement dated Today's Date; with SSB Law in relation to Your claim against Your Lender for Your claim for the recovery of undisclosed commissions arising from the purchase of Payment Protection Insurance (PPI). This agreement relates to all legal work undertaken by Us prior to the issue of legal proceedings.

SSB Law is a trading name of SSB Group Ltd which is a firm of solicitors regulated by the Solicitors Regulation Authority ("the SRA"). The SRA website is <https://www.sra.org.uk/consumers/>.

What is covered by this agreement

This is a non-contentious business agreement within the meaning of section 57 of the Solicitors Act 1974 and is thus excluded from the provisions of the Damages Based Agreements Regulations 2013 by virtue of Regulation 1(4) of those Regulations.

Your claim for the recovery of undisclosed commissions arising from the purchase of Payment Protection Insurance (PPI) against Your Lender ('the Opponent'). This agreement applies to Your claim from the date that we first started work on it, even if that was before the date of this agreement.

What is not covered by this agreement

Any work done in preparation of or in pursuing court proceedings that are issued. In the event that court proceedings are issued then this agreement will automatically terminate.

How do we define a win under this agreement

Win means any outcome that results in an Agreement that Your claim for the recovery of undisclosed commissions arising from the purchase of Payment Protection Insurance (PPI) is finally decided in Your favour by an agreement to pay You damages or in any way that You derive benefit from pursuing Your claim.

How do we define a loss under this agreement

A loss means any outcome that does not result in a "Win" under the above definition

Paying Us if You win

A. If You win Your claim, We are entitled to charge You –

1. A fixed disbursement covering legal support services and a quantum calculation
2. A fee for our own services, which will be calculated at 35% plus VAT of your compensation or refund, less the fixed disbursement above
3. The total of 1 and 2 (inclusive of VAT) will not exceed 42% of your compensation or refund
4. The costs of any other expenses and disbursements that we may incur on your behalf, such as court fees or an expert report
5. You will also be responsible for the cost of the ATE policy in the sum of £222.88* (*this is the cost of the ATE policy in claims that proceed in the small claims track, which is the usual track for these claims. In the event that your claim proceeds in the fast track the cost of the ATE policy will be £1,064.00*)

For example, if We recover damages on Your behalf of £5,000 then you will be responsible for our fees and disbursements of –

1. **The fixed disbursement of £500 plus VAT (£600)**
2. **Any other expenses and disbursements incurred on your behalf, such as an expert report fee (£250 plus VAT)**
3. **Our fee, which will be £1000 plus VAT (£1200) [£5,000 x 35% = £1,750, less the fixed disbursement of £500 less eg the expert report fee of £250 = £1000]**

You will also be responsible for the cost of the ATE policy in the sum of £222.88*

The total amount you will have to pay will be £2,100.00, which is 42% of £5,000, plus the cost of the ATE policy of £222.88* leaving you with £2,677.12

- B. In addition, if the Opponent agrees to pay a contribution to Your costs, We will charge You for the work done, including all work that took place before this agreement existed if appropriate. However, We will cap those charges to the sum that We recover from Your opponent by way of contribution to Your costs. These charges are calculated to the nearest 1/10th of an hour for the work done. Routine letters and telephone calls will be charged at 1/10th of an hour. The hourly rate is £400 plus VAT per hour regardless of the qualifications or experience of the fee earner doing the work on your case.

This hourly rate is much higher than the normal typical hourly rate charged for legal work for claims with the typical value of damages involved in Your claim. We charge this rate so that we can ensure that work of this value remains commercial and profitable for Us. Alternative solicitors may charge You either a lower hourly rate or may charge You on a different basis to us and we would recommend that You shop around before deciding to instruct Us based on these terms.

For the avoidance of doubt, these fees will be charged in addition to Our fees and disbursements as set out in A above

For example, if We recover damages on Your behalf of £5,000 and Your Opponent pays £100 inclusive of VAT towards Your costs then you will be responsible for the following –

1. **Our fee, which will be £1750 plus VAT (£2100) including the fixed disbursement**
2. **Any other expenses and disbursements incurred on your behalf, such as court fees or an expert report fee**
3. **The ATE policy in the sum of £222.88***
4. **Our further fee of £100 inclusive of VAT (which will be met by Your Opponent)**

The total amount you will have to pay will be £2,322.88, plus the cost of any other expenses and disbursements incurred on your behalf.

Paying Us if You lose

If You lose Your claim You do not have to pay Us anything for our fees as described at point A2 above. You will still have to pay the fixed disbursement of £500 plus VAT described at point A1 above and any expenses and disbursements we may have incurred on your behalf (eg the expert report fee), but these, together with the cost of the ATE policy, will be covered by your ATE policy as long as you have complied with the terms and conditions of both this agreement and your ATE policy.

Paying Us if You end this agreement

(This section does not apply where this agreement is cancelled by You by signing the attached Schedule 1 - Notice of the Right to Cancel within the 14 day time period.)

If You end this agreement, You must pay Our fees and disbursements together with the cost of the ATE policy immediately which, if compensation or a refund has been paid / achieved or is to be paid / achieved, will be calculated as if You had won or, if no compensation or a refund has been paid / achieved or is to be paid / achieved, will be calculated by reference to Our time spent for work done on an hourly rate basis at the hourly rates set out under "Paying Us if You Win", section B, along with the fixed disbursement described at section A1 and the cost of the ATE policy described at section A4. We round up the hours worked to the nearest 1/10th of an hour. We will add VAT to any fees that are subject to VAT at the rate that applies at the time the work is done.

Paying Us if We end this agreement

We can end this agreement in certain circumstances:

- a. If You do not keep to your responsibilities. Your responsibilities are –
 - to provide instructions in an honest and timely manner
 - to keep Us updated with Your contact details
- b. We then have the right to decide whether You must:
 - Pay Our fees for time spent and Our expenses and disbursements including the fixed disbursement described at section A1 above when We ask for them; or
 - Pay Our charges for time spent and Our expenses and disbursements as defined in the "Paying Us if You win" section if You go on to win Your claim;
- c. We can end this agreement if We believe that You are unlikely to win. If this happens, You will only have to pay Us Our expenses and disbursements as set out under the "Paying Us if You lose" section but they will be covered by your ATE policy as long as you have complied with the terms and conditions of both this agreement and your ATE policy
- d. We can end this agreement if You reject Our opinion about making a settlement with Your opponent. You must then pay the charges for time spent and our expenses and disbursements;
- e. We then have the right to decide whether You must:
 - Pay Our fees for time spent and Our expenses and disbursements including the fixed disbursement described at section A1 above when We ask for them; or
 - Pay Our charges for time spent and Our expenses and disbursements as defined in the "Paying Us if You win" section if You go on to win Your claim;

This agreement automatically ends if You die before Your claim is concluded. We will be entitled to recover Our charges up to the date of Your death from Your estate on the same basis as that set out in the "Paying Us if You end this agreement" section. If Your personal representatives wish to continue Your claim for damages, We may offer them a new conditional fee agreement.

We agree to the above terms:

Agreement 2 - Conditional Fee Agreement

We: : SSB Law of Ground Floor, Navigation House, 1 South Quay Drive, Sheffield S2 5SU (the Solicitor)

You: Your Name - Your Full Address (the Client)

1. What is covered by this agreement?

- Your claim for the recovery of undisclosed commissions arising from the purchase of Payment Protection Insurance (PPI);
- Any appeal by the opponent;
- Any appeal You make against an interim order during the proceedings;
- Any proceedings You take to enforce a judgment, order or agreement;
- Negotiations about and/or a court assessment of the costs of this claim;
- Any pre-action applications, or interim applications within the main claim

2. What is not covered by this agreement?

- Any counterclaim against You;
- Any appeal you make against a final order

3. What do You pay if you win?

If You win Your claim, or if You win any distinct part of Your claim in 1a – 1f above, You must pay costs made up as follows: Our charges as defined at 8 below for the claim, or for the distinct part of it that You have won, a success fee on Our charges as defined at 9 below, any expenses and disbursements incurred (including a fixed disbursement of £500 plus VAT (£600) which covers legal support services, including a quantum calculation) and the cost of the ATE policy.

If the claim proceeds on a track other than the small claims track, or proceeds on the small claims track and the court finds that there are exceptional circumstances You are entitled to seek recovery from your opponent of part but not all of Our charges, expenses and disbursements but not the success fee or any ATE insurance premium. In practice however, as your Claim is likely to proceed on the Small Claims track, which, unless the Court finds that there are special circumstances, imposes strict limits on recovery of costs from the losing party, the amount that is actually likely to be recoverable in costs will be either nil or a nominal amount fixed by part 45 of the Civil Procedure Rules. In order to ensure that we can be paid a reasonable amount for the work that we do, we must therefore give you notice that Our charges are not limited to the amount of costs that are recovered from Your

By signing this agreement you agree that the amounts that we charge you, both in respect of our basic charges and our success fee, are not limited to the amounts that Your Opponent may be ordered to pay.

This is an express agreement under Civil Procedure Rule 46.9.2 to disapply the provisions of s.74(3) Solicitors Act 1974, which would otherwise restrict our base costs to the amounts that Your Opponent may be ordered to pay.

If you would like further advice on this aspect, please let us know BEFORE YOU SIGN.

If You win Your claim, We will limit Our charges and disbursements You must pay Us, to the extent that they are not recovered from the opponent, to **42% of Your damages** including VAT.

You will also be responsible for the cost of the ATE policy in the sum of £222.88* (**this is the cost of the ATE policy in claims that proceed in the small claims track, which is the usual track for these claims. In the event that your claim proceeds in the fast track the cost of the ATE policy will be £1,064.00*)

4. How do we define a "win"?

Win means (a) any outcome that results in an Order or Agreement, whether in respect of all or any one of the aspects covered at 1a – 1f above, that your opponent pays your costs, or (b) Your claim for damages is finally decided in Your favour, whether by a court decision or an agreement to pay You damages or in any way that You derive benefit from pursuing Your case.

6. How do we define a "Loss"?

A "loss" means any outcome that does not result in a "Win" under the above definition

6. What do You pay if You lose?

If You lose, You do not pay Us for any of Our charges for time spent or a success fee so long as You have kept to Your responsibilities set out in section 11. You will have to pay Our expenses and disbursements, including the fixed disbursement which covers legal support services and a quantum calculation, and You may be liable to pay some or all of Your opponent's costs but all of these will be covered by your ATE policy as long as you have complied with the terms and conditions of both this agreement and your ATE policy.

7. Expenses and disbursements

These are sums that We must pay to third parties in order to progress Your claim. We will pay any expenses and disbursements as the case progresses. Typically in these cases these will be limited to expert fees, Court fees ,barrister's fees and a fixed disbursement of £500 plus VAT (£600) which covers legal support services, including a quantum calculation)

8. Our charges for time spent

We will charge You for all work done on Your claim, regardless of whether that work took place before this agreement came into effect. These charges are calculated to the nearest 1/10th of an hour for the work done. Routine letters and telephone calls will be charged at 1/10th of an hour.

The hourly rate is £400 plus VAT per hour regardless of the qualifications or experience of the fee earner doing the work on Your case.

We reserve the right to increase the hourly rates each year. We will notify You of any change of the rate in writing.

This hourly rate is much higher than the normal typical hourly rate charged for legal work for claims with the typical value of damages involved in Your claim. We charge this rate so that we can ensure that work of this value remains commercial and profitable for Us. Alternative solicitors may charge You either a lower hourly rate or may charge You on a different basis to us and we would recommend that You shop around before deciding to instruct Us based on these terms.

9. Success Fee

If You win Your claim, We will charge You a success fee. This is calculated at 100% of Our charges described in 7 above. We charge this success fee independent of any risks in Your case so that work of this value remains commercial and profitable for Us.

Alternative solicitors may charge a lower success fee for this work and we would recommend that You shop around before deciding to instruct Us. To the extent that it is necessary for the purposes of complying with section 58 of the Courts and Legal Services Act 1990 (as amended), the success fee exclusive of VAT will additionally be subject to those same maximum limits.

10. Overall limit on Our Charges

If You win Your claim, We will limit Our charges and disbursements You must pay Us, to the extent that they are not recovered from the opponent, to **42% of Your damages** including VAT.

For example, if We recover damages on Your behalf of £5,000 and Your Opponent pays £100 inclusive of VAT towards Your costs then you will be responsible for the following –

- Our fee, which will be £1750 plus VAT (£2100) including the fixed disbursement**
- Any other expenses and disbursements incurred on your behalf, such as court fees or an expert report fee**
- The ATE policy in the sum of £222.88***
- Our further fee of £100 inclusive of VAT (which will be met by Your Opponent)**

The total amount you will have to pay will be £2,322.88, plus the cost of any other expenses and disbursements incurred on your behalf.

11. Ending this agreement

If You have a right to cancel this agreement under Schedule 1 (see page 2) and do so within the 14 day time limit, You will pay nothing.

Otherwise if You end this agreement before You win or lose, You will pay Our charges for time spent and expenses and disbursements.

Otherwise If You end this agreement, You must pay Our fees and disbursements together with the cost of the ATE policy immediately which, if compensation or a refund has been paid / achieved or is to be paid / achieved, will be calculated as if You had won or, if no compensation or a refund has been paid / achieved or is to be paid / achieved, will be calculated by reference to Our time spent for work done on an hourly rate basis at the hourly rates set out under "Paying Us if You Win", along with the fixed disbursement of £500 plus VAT (£600) which covers legal support services, including a quantum calculation and the cost of the ATE policy. We round up the hours worked to the nearest 1/10th of an hour. We will add VAT to any fees that are subject to VAT at the rate that applies at the time the work is done.

We can end this agreement in certain circumstances:

- If You do not keep to your responsibilities. Your responsibilities are –
 - to provide instructions in an honest and timely manner
 - to keep Us updated with Your contact details
 - to attend any court hearing that we may ask you to attend
- We then have the right to decide whether You must:
 - Pay Our fees for time spent and Our expenses and disbursements including the fixed disbursement described at sections 7 and 8 above when We ask for them; or
 - Pay Our charges for time spent and Our expenses and disbursements as defined in the "Paying Us if You win" section if You go on to win Your claim;
- We can end this agreement if We believe that You are unlikely to win. If this happens, You will only have to pay Us Our expenses and disbursements as set out under the "Paying Us if You lose" section but they will be covered by your ATE policy as long as you have complied with the terms and conditions of both this agreement and your ATE policy
- We can end this agreement if You reject Our opinion about making a settlement with Your opponent.
- We then have the right to decide whether You must:
 - Pay Our fees for time spent and Our expenses and disbursements including the fixed disbursement described at sections 7 and 8 above when We ask for them; or
 - Pay Our charges for time spent and Our expenses and disbursements as defined in the "Paying Us if You win" section if You go on to win Your claim;

This agreement automatically ends if You die before Your claim is concluded. We will be entitled to recover Our charges up to the date of Your death from Your estate on the same basis as that set out in the "Paying Us if You end this agreement" section. If your personal representatives wish to continue Your claim for Damages, We may offer them a new conditional fee agreement.

12. Other points

This is a contentious business agreement within the meaning of section 59 of the Solicitors Act 1974.

As a consequence your entitlement to challenge Our fees under s.70 Solicitors Act 1974 is limited.

If you would like further advice on this aspect, please let us know BEFORE YOU SIGN.
